The Snake-of-the-Day headliner of this web site features photographs that we believe will interest our web site visitors. Each daily photograph will be posted at 11:00 am. central (GMT – 5) and replaced in 24 hours. Feel free to make suggestions regarding what snake photographs you would like to see in this daily feature. The animals pictured here are not for sale, unless otherwise noted, but you can find available surplus snakes for sale on the Surplus Page of this web site. We appreciate your patronage and welcome any suggestions you may have.

Another interesting project involving the male Anery Scaleless corn from Stephane Rosselle in France is this beautiful Striped Butter. Therefore, hatchlings from this pairing will obviously be het for Scaleless, Anery, Caramel, Amel. and Stripe. Some of those hatchlings will be for sale in July. Since Scaleless mutants of corns have dramatically saturated colors, imagine the beauty of Scaleless Butters??
