#021413

Caramel Motley Het Ultra

Female

d.o.h. 2008

52" long on Feb. 13, 2013

\$225.00 shipped

-  
This 52" long 2008 female Caramel Motley is Het for Ultra. She was brumated from October 10, 2012 to January 31, 2013 so she is eating every five DAYS and should be ready for breeding in a few weeks. She is very friendly and has never attempted to bite (typical corn). Last year, she laid 18 eggs in her first clutch and 11 in her second.
