

{product id=853}

We saved back more of these than I need for future breeders so we're selling this 2013 female Cayenne Fire (Cayenne Amel Bloodred) corn snake from the South African line. She is currently 30" long, eating frozen/thawed large hopper mice. Her \$450.00 USD price includes

< style="font-size: 11.8181819915771px; line-height: 15.8079996109009px;" />

Underside shot of toDAY's SOTD featured snake. ALL of the Cayenne Fires from this line so far have had belly color proportions like this one; 75% to 95% red.
