

{product id=696}

This beauty sold before the scheduled publish date. All of you have the advanced opportunity to purchase some of the SOTDs before they publish on the SMR Facebook page or the 11:00 am homepage daily Snake of the Day feature of of this web site. Sometimes I create two to six SOTDs on the same DAY-that are scheduled to publish on their future respective SOTD date, but when I do that, they immediately post on the SURPLUS JUVENILE AND ADULT page of my web site. Sorry for the tease toDAY, but she's still worth a look.

Hand-picked 26" female 2013 Extreme Reverse Okeetee corn. Her \$175.00 price includes

Currently eating one frozen/thawed large pinky or small fuzzy mouse every five to seven

DAYs, she has great size for being only eight months old.
