

Judy:

Follow the signs through the shopping cart process and it will add \$35.00 flat-rate shipping to your order. If it totals more than \$110.00, abort the purchase procedure and write to me. I'll fix it, or come up with another way to let you pay for her. If I re-instate the Extreme Okeetees, someone will snatch it before you have a chance to get her. I'm not particularly good at inserting unique products like this, but I've been successful the last three times I tried. Let me know if this doesn't work for you, Judy.

If you live in Texas, it will add 8.25% sales tax, but if not, the total should be \$110.00 with shipping.

Advanced thanks,

Don

PS, you'll have to click on the circle in front of the word Female before selecting **ADD TO CART**.
