After factoring out the shipping cost, I'm practically giving this beautiful 2014 female Pied-sided (aka: P/S) Bloodred away. She is 18" long, eating frozen/thawed pinky mice, but she will usually bite the *wrong* pinky, *if you get my meaning*. She HATES HUMANS. Buy her at your own peril. Her \$100.00 price includes **\$old**

Same snake. If you don't mind seeing your own blood, this one will look great in the confines of a glass cage. **Sold**

Same snake in different pose.
