

The *Snake of the Day* headliner of this web site features photographs that we believe would interest our web site visitors. Each daily photograph will be posted at 11:00 am. central (GMT - 5) and replaced in 24 hours. Feel free to make *suggestions* regarding what snake photographs you would like to see in this daily feature. The animals pictured here are not for sale, unless otherwise noted, but you can find available surplus snakes for sale on the *Surplus Page* of this web site. We appreciate your patronage and welcome any *suggestions* you may have.

The eggs from this female Saffron Motley corn snake were sired by a Butter Motley, Het for Sunkissed (therefore Honey/Saffron). These eggs will hatch at the end of June and the hatchling corns will be shippable by mid July. The 2013 corn snake list will be published in the next few DAYS.
