

The Snake-of-the-Day headliner of this web site features photographs that we believe will interest our web site visitors. Each daily photograph will be posted at 11:00 am. central (GMT - 5) and replaced in 24 hours. Feel free to make suggestions regarding what snake photographs you would like to see in this daily feature. The animals pictured here are not for sale, unless otherwise noted, but you can find available surplus snakes for sale on the Surplus Page of this web site. We appreciate your patronage and welcome any suggestions you may have.

Our Scaleless Anery from Stephane Rosselle in France was very busy this year at SMR. He bred several different color and pattern mutants, including at least one female Tessera. Eggs are expected to hatch in early July, so we will have many corns for sale this year that are het for Scaleless, Anery, and other colors and patterns.
