

The Snake-of-the-Day headliner of this web site features photographs that we believe will interest our web site visitors. Each daily photograph will be posted at 11:00 am. central (GMT - 5) and replaced in 24 hours. Feel free to make suggestions regarding what snake photographs you would like to see in this daily feature. The animals pictured here are not for sale, unless otherwise noted, but you can find available surplus snakes for sale on the Surplus Page of this web site. We appreciate your patronage and welcome any suggestions you may have.

In addition to breeding several of our Buckskin Okeetee females in the past weeks, this male also sired eggs from some Reverse Okeetees and other interesting project females. Eggs from them will be hatching in late June and ready for shipping in July.
