{product id=1660}

2017-12" female Scaleless Amel corn snake for sale. She's currently eating frozen/thawed small pinky mice. Her \$965.00 USD price includes free **Bonus pic.**

note: ALL Scaleless corns in the hobby toDAY (including SCALED corns that are carriers of the Scale-less mutation-aka Het Scaleless) are descendants of the original pairing of a Corn Snake to an Emory's Ratsnake (aka: Great Plains Ratsnake) and are therefore technically inter-species hybrids.
