

The Snake-of-the-Day headliner of this web site features photographs that we believe will interest our web site visitors. Each daily photograph will be posted at 11:00 am. central (GMT - 5) and replaced in 24 hours. Feel free to make **suggestions** regarding what snake photographs you would like to see in this daily feature. The animals pictured here are not for sale, unless otherwise noted, but you can find available surplus snakes for sale on the **Surplus Page** of this web site. We appreciate your patronage and welcome any **suggestions** you may have.

This is one of the *?Striped Sunkissed?* corns we showed you when it was right out of the egg. After its first shed, it's easier to see the two different color zones that are separated by the dorso-lateral stripes. In a couple of years may find out if it's a new corn snake mutant.
