

Show & Tell

The parents of this Okeetee are a Scaleless Extreme Okeetee and a Scaled Okeetee. These two snakes (this pic and the one below) that are Heterozygous (Het) for Scaleless have the same parents, but demonstrate both ends of a scale of their color and pattern variation potential.

< style="font-size: 12.16px; line-height: 15.808px;" />

Sister of the above female.
