

Show & Tell

Adult female High-white Reverse Okeetee corn snake we were fortunate to get from John Finsterwald (Zorro) of ColoradoCorns.com. John was kind enough to gift this beauty to my wife, Tammie, a fews back and she LOVES her (*those of you who know Tammie realize how significant that is*). Seriously, John, she is not only the best we've had, but the prettiest I've seen. Thank you SOOO much. . . .
