toDAY's **SNAKE of the DAY** (Tue. Oct. 2, 2012)

- This snake is in good health (not under or over-weight, no parasites or diseases that we are aware, no injuries or defects, and routinely feeding on unaltered frozen/thawed mice).
- The maturity of the snake is detailed in the description (date of hatch, neonate/juvenile/sub adult, adult, etc.).
- If the snake listed has any other temperament or behavioral issues other than *human-friendly* that we have noted, it will be detailed in the description.

In other words, in the absence of mention in the description of this snake, the snake is in good physical condition. Any traits that are not obvious in this snake will also be noted in the description; i.e., Heterozygous for a mutation that is not visually demonstrated.

To purchase this snake, click on the **Buy this** icon. You will be launched to our shopping cart to submit your payment information and choose which TuesDAY or ThursDAY you prefer delivery.
