

Show & \$ell

FIRST, a special thanks to all of you who have been viewing-and hopefully appreciating-a NEW SMR photograph on our web site and SMR FaceBook, every DAY since October 2, 2012. We hope to keep showing you novel daily pictures for years to come.

One year closer to breeding size (compared to a 2015 hatchling), this 2014 Male Striped Tessera is now 23" long, eating frozen/thawed fuzzy mice. His \$225.00 price includes
