

Show & \$ell

{product id=1816}

This 21" female 2016 Amel is currently eating frozen/thawed large pinky mice. She was very upset being photographed toDAY. Both of her parents were high-white Reverse Okeetees. She didn't try to bite, but was very squirmy and just had to paint my hand with musk, so her lower price reflects her less-than-congenial behavior. Her \$75.00 price includes
