ToDAY's SNAKE of the DAY (Mon. 29, 2012)

#102912

High White

Female

d.o.h. 2011

32" long on October 27, 2012

[\\$175.00 shipped](#)

This 2011 female promises to be a stunning adult, even with some orange in her ground color zones. She is already showing the mint green colors in some of her blotch margins near the tail; a sure sign that most of her blotch margins will be that color at color maturity.
