

Show & \$ell

{product id=2060}

This 18" 2018 male Amel Buf is het for Stripe. He is currently eating frozen/thawed pinky mice. The picture inset shows the opposite side of his face, exaggerating the overlapping forward upper labial scale that is not as rare in corns as most keepers would think. This anomaly is not from any injury. \$155.00 to an of the lower-
