

FOR SALE

{simpleproduct:id=707}

Here we go again. We lost the cage label on this 2011 39" female Tessera, so we don't know what she may be het for, but

we wouldn't have put a gallon of mice into her for two years if not for something more than . . . well . . . more than Tessera.

Her \$200.00 price includes FedEx Overnight delivery service
